

Semi Permanent Make Up by Geraldine Flynn WINS WHATCLINIC.COM AWARD FOR EXCELLENT CUSTOMER SERVICE 2014

Global clinic comparison site WhatClinic.com have announced winners of their customer service awards.

Less than 1% of over 100,000 clinics listed on the site qualified for the award, which is based on feedback from customers over a twelve month period. Clinics were rated on how well customers were treated, how quickly they were contacted and seen, and patient satisfaction with their treatment.

"It gives me great pleasure to announce that Geraldine Flynn has been awarded the 2014 Customer Service Award from WhatClinic.com. Only a tiny fraction of clinics made the high standards needed to win. Congratulations and well done!"
